

New Jersey Wing Professional Development 2006 Schedule

Please check the website calendar for additional information and updates.
<http://www.njwg.cap.gov/calendar>

FOR ALL CLASSES: Check in with your CAP ID card and a photo ID at least 15 minutes prior to class.

LEVEL I

Completion of CAP Cadet Protection Policy Training (CPPT) **MUST** be completed at your unit prior to attending this class (bring a copy of CAPF 11 with you).

<u>Date</u>	<u>Day</u>	<u>Sponsor</u>
5 February	Sunday	Group 225
6 May	Saturday	Group 221
10 September	Sunday	Group 223
18 November	Saturday	Group 224

All Level I classes start at 0830 hours sharp! Civilian attire only!

SQUADRON LEADERSHIP SCHOOL (SLS)

All members who have completed Level I and are currently enrolled in one or more specialty tracks are invited to attend. This course describes the roles and responsibilities of the CAP Squadron.

Saturdays, 11 and 18 March will be the dates for this year's SLS course. **Must attend both days and classes start at 0800.** Additional information will follow on the web and in the flyer.

CORPORATE LEARNING COURSE (CLC)

Completion of SLS, and at least a technician rating in any specialty track is required to attend this course. This course discusses the relationship of the Squadron to the Wing and how the Wing-level operations assist to accomplish CAP's missions. It also describes the working relationship Wing officers have with each other, and their squadron counterparts.

14-15 October, Saturday and Sunday, NCO Academy, McGuire AFB will be the date and location for this year's CLC class. **You must attend both days and classes start at 0800.** Capt. William Ward will be the Project Director. n2put@usa.com or 609-610-4100 cell or 609-581-7665 home
